William D. Stansbury, 2 Liberty street, joined with his old rank of T/4 and has been assigned as an armored car mechanic and armored car driver. Stansbury served in the European theater during World War II with the 605th Tank Destroyer unit and held the rank of T/4 at discharge. He served from July, 1944, to April, 1946.

The other new recruit is Sgt. Robert E. Epley, Gettysburg R. 5, who won the Silver Star for gallantry in action with the 84th Infantry Division in the ETO. His World War II service dated from May, 1944, to April, 1946. He has been made section leader of the local guard unit's communications section.

The local Guardsmen completed plans Tuesday evening to participate in three Memorial Day parades with all their equipment next Monday.

They will go to Hanover for a parade at 8:30 a. m. Then at 2:30 p. m. they will move in the Gettysburg parade and will go to New Oxford at 6 p. m. for their third appearance. The New Oxford VFW will serve a dinner to them after the exercises there.

CHARGED WITH VIOLATING LAW ON EXPLOSIVES

State police of the Gettysburg substation Tuesday afternoon arrested Sterling Thomas, 37, of New Chester, on a charge which police said involved illegal storage of explosives, as the outgrowth of an accident on May 20 in which Kenneth Deatrach, 9-year-old son of Mr. and Mrs. George Deatrach, New Chester, was badly injured in the explosion of a dynamite cap.

Thomas was arraigned before Justice of the Peace Claude Straley, New Oxford, and furnished \$300 bail for appearance at a hearing before Squire Straley Thursday night.

Police said Thomas was charged with possessing dynamite blasting caps without complying with a state Department of Labor and Industry regulation providing for their safe storage.

Youth Badly Injured

The Deatrach boy and Eugene Thomas, son of the defendant, were playing at the Thomas home on the afternoon of May 20. Police said the Deatrach boy went to the Thomas barn for a screwdriver and found a No. 6 electric blasting cap.

The two boys, police said, attached the wires of the cap to a dry cell battery and when the cap exploded, one of the Deatrach boy's hands was badly mutilated, the other seriously injured, and his face and eye injured. He was taken to the Hanover hospital.

Police said it was probable that the youngster would lose the sight of the eye, and that his face would be marked by the powder burns.

ASK MARCHING UNITS TO CARRY FLOWERS MAY 31

The local Memorial Day committee today again reminded organizations such as the 4-H clubs, Boy Scouts, Girl Scouts, Girl Reserves and the like to carry flowers in the parade Monday afternoon.

Arthur Warman, chairman of the group, pointed out that "there are over 400 graves in the National cemetery, including the graves of 211 men of World War II who were brought back during the past year, whose graves will not be strewn with flowers by the school children."

"The youngsters do a magnificent job each year of placing flowers on the Civil War graves in honor of the memory of the men of the Civil War who are buried here."

To Decorate All Graves

"But it is also proper that we place flowers on the graves of World War I and World War II men, particularly at this time, when so many heroes have been brought back for burial here."

"It is fitting therefore that the Boy Scouts, Girl Scouts, Girl Reserves, 4-H clubs and similar organizations strew flowers over the graves of the non-Civil War veterans during the same time that the school children are strewing the graves of the men of 1863."

Persons who may have flowers that could be used for the strewing were asked to call the secretary of the Chamber of Commerce, Mrs. Robert P. Snyder, so that those needing flowers could call the Chamber and find out where the flowers are obtainable.

David E. Irvin, Fatally Hurt In 15-Ft. Fall From Scaffold

David E. Irvin, 71, 108 Carlisle street, was fatally injured Tuesday afternoon about 3:45 o'clock when a scaffolding broke beneath him hurling him 15 feet to a macadam paved alley, in the fourth block of South Washington street.

Frank Beard, 54, 116 Carlisle street, also on the scaffolding, suffered lacerations of the skull, a possible fractured skull, a dislocated right collarbone, crushed right chest and bruises. His condition was said to be fair by the Warner hospital staff.

A third workman, Gilbert Priess, 32, also of 116 Carlisle street, caught the edge of the roof of the building when the timbers collapsed and clung there until he could work his way to remaining supports and clamber down to a ladder.

Crosspiece Gave Away

The three had been engaged in placing asbestos shingles on a house at 326 South Washington street owned by Mr. Beard's mother, Mrs. Foster Beard, Carlisle street, and tenanted by Roy "Jack" LeGore.

The men had finished placing the siding on the front of the house and had erected the scaffolding along the north side of the house Tuesday morning. Shingles had been placed on the side of the building up to within two feet of the roof of the frame structure shortly before the accident. The men then placed crossboards, on which they stood, at a higher level on the scaffolding, with Mr. Irvin placing three cross-pieces on which to rest the long wide boards on which they stood. Some loose shingles were placed on the boards and the three men climbed up on the level to complete their work, Priess said.

Shortly after they resumed their work, one crosspiece gave way, dropping the most eastern board and Frank Beard, who was standing on it. When the one board fell it threw off the other board on which Priess and Irvin were standing. Irvin fell to the alleyway, landing on his face about five feet from the side of the building. Priess grabbed the roof and held on there until he could reach the remaining scaffolding and clamber down to a ladder that was placed along the center of the scaffolding. Beard fell partly in the alley and partly across a brick sidewalk, blood marks on the walk and alley showed.

Priess said that after the fall Mr. Irvin moved his head and attempted to rise, but was unable to do so. Neighbors who witnessed the fall (Please turn to Page 8)

11-CENT RAISE
AVERTS STRIKE
AT GM PLANTS

Detroit, May 25 (AP) — General Motors corporation granted an unique 11-cent an hour wage boost today to avert a strike of its 225,000 CIO production workers.

The company said the formula would cost it about \$75,000,000 a year. But GM called it "the new approach to the living cost problem."

A GM strike had been set for Friday by the CIO United Auto Workers.

Not only was the walkout averted, but the settlement raised hopes for a quick end to the 14-day-old strike of 75,000 Chrysler corporation employees.

See Wage Pattern

On the basis of past history, it appeared that the GM formula may

set a 1948 wage pattern in the 1,000,000-man auto industry and other important segments of the nation's economy.

Chrysler has agreed to resume bargaining with the UAW-CIO Wednesday. Their best previous Chrysler offer to the union was six cents an hour. The other member of the auto industry's big three, the Ford Motor company, is scheduled soon to begin talking wages with the union.

General Motors and the union were cloistered for 18 hours before announcing the settlement. It brings the average wage in General Motors' 90 plants to about \$1.61 an hour. The UAW-CIO originally asked GM for a 25-cent an hour increase.

General Motors would not say whether the wage increase would affect its car prices.

May Be Revised

The wage formula gives the GM employees a flat 11 cent an hour boost as of now.

However, the union agreed that on next September 1 the company may revise this figure upward or downward—a cut or a boost—de-

WARN DRIVERS
ABOUT DETOUR

Motorists were cautioned today at Chambersburg that the Lincoln highway east of Fayetteville is virtually impassable to traffic because of road construction activities in progress and were urged to use detour routes east from Fayetteville.

In many areas between Fayetteville and Newman's Mountain, in Adams county, the highway surface has been completely removed and in some instances bridges have been demolished in preparation for construction of a new and modern three- and four-lane thoroughfare.

Three construction firms are at work on projects totaling nearly \$4,000,000 that will rebuild the Lincoln Highway from a point in Guilford Township, west of Downey's Hill, to a point east of McKnightstown in Adams county, a distance in excess of 15 miles.

So extensive are the road construction activities that commuters to Chambersburg, who reside between the Black's Gap road and Mt. Union, had difficulty in getting out Monday morning.

Hundreds of motorists en route to the Caledonia area Sunday ignored the detour signs and found the going pretty rough. Construction workers today said conditions are even worse and advised all but residents of the area to choose other routes to the park and to Gettysburg.

Officials of the State Highway Department Monday urged motorists to use established detours via Waynesboro to Gettysburg. Visitors to Caledonia park were urged to go via Mont Alto and the sanatorium road.

MASSACRE OF 500 REVEALED

Chingchuan, Shensi Province, China, May 26 (AP)—A gruesome story of the massacre of 500 Chinese Communist prisoners by National troops was told today by Gen. Ma Wen-Ting.

Half of the prisoners, he said, were beheaded with great broadswords carried by his fierce Moslem and Buddhist troops. The others were killed with hand grenades.

Without emotion, the grim visaged Ma described the mass killing. It was carried out last week at Ninghsien, a Kansu province village near here.

"We chopped off one head after another with our big broadswords," Ma said. "We finished the others off with hand grenades."

The prisoners were part of 1,500 taken at Ninghsien where they fled after National troops routed them near Sian.

The general, deputy chief of staff of the National 82nd Division, said an uprising among the prisoners caused the massacre.

"While we were sorting out Communist regulars from conscripted peasants," he said, "the Communists started an uprising. They shouted 'Mao Tse-Tung' (Chinese Communist leader's name) and 'up with Communism.' They became unmanageable. We were forced to kill them."

Winebrenner Asks More Cars May 31

Mrs. Eugene Sickles is chairman of the poppy committee, and has obtained a fresh supply of poppies for Saturday, anticipating a large volume of sales because of the large numbers of visitors expected here for the dedication of the new Legion home and other events.

An authoritative source said the drivers were asking a raise of 15 cents an hour and that the association had offered eight.

At the request of J. E. Smiley, chief, accident unit, Pennsylvania Bureau of Highways Safety, borough police today began signing local motorists as members in the Pennsylvania Safe Driver League, and issuing stickers to be placed at the lower right corner of the rear windows of automobiles.

Drive within the legal speed limit and with regard to road and weather conditions.

Come to a complete stop at all stop signs.

Refrain from driving while drinking.

Pass only when lawful and safe. Membership sheets to be signed before stickers are issued are at the borough police headquarters in the Murphy building. The first Gettysburg driver to join the Safe Driving League today was Mrs. C. T. Ziegler, Springs avenue.

Involved Case Is Argued In Court

Two batteries of legal talent were engaged before the Adams county court today at a hearing held in the involved legal mix-up of Ethlyn A. Porry, Dallastown, versus Paul E. Jacobs, East Berlin, and Charles Altland, now of West Virginia.

Representing Jacobs were the Gettysburg law firm of Bulleit and Bulleit and the Hanover law firm of Laird and Buchen. Representing Mrs. Porry are Attorney J. Francis Yake, Jr., of Gettysburg, and Paul E. Stein, York attorney. All were present for the hearing.

The matter involves several thousands of dollars which Mrs. Porry claims belongs to her. Since the case started in 1945, charges and counter charges have followed each other until at the court session this morning the attorneys had to have a session with the court to determine who was acting as defendant and who prosecutor at the present hearing.

Witnesses obtained the name of the owners of the truck and Chief Harpster learned from the company's offices in York that its driver was Samuel J. Helsley, also of York. Police said a charge of leaving the scene of an accident would be filed with Justice of the Peace John H. Baschore.

Total damage to the gas company truck and Kuhns' car was estimated at \$45.

Classics Vs. Comics Leads To Divorce

Chicago, May 26 (AP)—Marjorie Johnson, 20, a stenographer, likes to read the classics and wanted her husband to read them, too, she told Superior Judge Edwin A. Robson.

But, she testified yesterday in her suit for divorce, he persisted in reading only the comics. They quarreled, she said, and her husband, Raymond L., a stock clerk, struck her.

Mrs. Johnson was granted a divorce on grounds of cruelty.

STOCK PRICES REVIVE

New York, May 26 (AP)—Demand for stocks revived in today's market and prices pushed up fractions to more than a point. Leading industrial shares were prominent in the upswing. While some of them showed signs of recovery at the opening today, general support was lacking until near midday. After one of the quietest first hours in the past two weeks, activity picked up sharply as new buying orders arrived. Steels, motors and aircrafts were among buoyant groups. A flood of dividend news, mostly favorable, aided individual manufacturing issues.

Orttanna defeated Cashtown 7-2 Tuesday evening at Orttanna in an exhibition baseball game. S. Rebert and D. Rebert hurled for the winners with H. Deardorff catching. Bucher, Kane and H. The three-day convention and exhibit of the Funeral Directors Association of Pennsylvania opened Tuesday in Harrisburg. R. L. Pittenturf, York Springs, was a member of the committee in charge of arrangements for the convention.

Around The Town

Those passing by the court house today were able to get a good glimpse of the borough's "underworld." Employees of A. R. LeVan and Son removed the fountain that has been at the corner of West Middle and Baltimore streets for about a quarter century, and in doing so uncovered a 30-foot stone-lined well under the pavement. Old timers recalled the day when the well was topped by a wooden, round pump, one of several public pumps along Baltimore street. Other pumps stood along the avenue where the Philip Bikle insurance office is now, and near the Varsity Barber shop. The wells have long since been covered over and the only replacement was the fountain at the court house. The fountain will continue to operate, with the plumber merely removing the fountain today in order to replace pipes leading to it from the borough water mains.

Blonde Divorcee, 28, Offers Self For Sale

Hempstead, N. Y., May 26 (AP)—An attractive 28-year-old blonde divorcee today offered herself "for sale" as a wife to a man with \$10,000 and willing to support her and her two small children.

Mrs. Dorothy Lawlor, of Hempstead, offered this "situation wanted, female," classified ad to Newsday which published her story: "Wife for sale. Divorcee, blonde, attractive, wants man to marry and support her and two children. Must be willing and able to make immediate \$10,000 cash settlement."

Married at 15 and divorced eight years ago, Mrs. Lawlor claimed that her former husband refused to support her and her children, Dorothy, 11, and Tommy, 10. She works part time as a registered nurse and has a job as hat check girl in a night club.

"I just don't believe in love," she said. "But surely, somewhere, there must be a man who wants a wife and two fine children. Perhaps we could learn to love each other after a time." She said she has admirers and "could get married tomorrow, but the cash isn't there."

Spray letters, number five for peaches and number six for apples, were sent Tuesday by County Agent M. T. Hartman to fruit growers of the county. The peach letter, calling for a spray of zinc sulphate, lime, lead arsenate and wettable sulphur paste, is designed to combat curculio and brown rot, scab and bacterial spot. The letter points out that while cool wet weather has retarded emergence of curculio, two or three warm days will bring them out in abundance and that brown rot blossom blight is showing up in small amounts in many orchards and in a few orchards is moderate to very severe.

The apple letter points out that continued wet weather has enabled scab to continue to increase and that white apple leaf hopper eggs are hatching rapidly. The growers are given two formulae, one involving wettable sulphur paste, lead arsenate, fresh spray lime and 50 percent DDT wettable powder; the other calling for ferimate, flotation sulphur, lead arsenate and 50 percent DDT wettable powder.

War-ruined City To Be Abandoned

Peiping, May 26 (AP)—Complete abandonment of the war-ruined city of Yinghsien was announced by the government today — only 24 hours after a 39-day Chinese Communist siege was lifted.

Peiping headquarters said Yinghsien had lost all strategic value in withstanding the repeated Red assaults. The entire civilian population and the remnants of Yinghsien's garrison were moved to Tatung, 40 miles to the north and just south of the Great Wall.

"The defenders and relief forces have shifted to advantageous positions for aggressive action," said the announcement.

(The number of civilians and Yinghsien garrison troops removed was not reported.)

NAMED TOP STUDENT

Joanne Marie Mummert, 13, only daughter of Mr. and Mrs. Paul Mummert, West York, and granddaughter of Mr. and Mrs. George E. Zeigler, East Berlin, was honored as the "top girl student" at the West Manchester Consolidated school, York county, last week when she received an honor pin and a certificate from the Ladies' Auxiliary of York Post No. 127, American Legion. Joanne's mother is the former Miss Miriam Zeigler, East Berlin, and the family are frequent visitors to that place.

The State Highway and Texas Lunch kept their winning streaks intact in the Community Softball league Tuesday evening in games played on the college field.

The Highway outfit scored three times in the first inning, added four in the fifth and a single run in the sixth on Frazer's homer to blank the Lentz Legion 8-0. The victory was the fourth in a row for last year's champs and marked the first setback for the Legion after four victories.

George Fair permitted the Legion but two hits while his teammates collected nine.

A much-improved Elks' team gave the Texas Lunch a real scare and lost a tough 5-4 decision in the last half of the final inning when Altland homered after Heintzelman tripled with two out.

The Elks tabbed three runs in the third and added another score in the fifth before the lunch-men tallied three times in the fifth.

Eastern League

(By The Associated Press)
The Utica Blue Sox crowded the Williamsport Tigers today in the spot reserved for the Eastern league's second-best club.

The Sox beat Elmira twice last night, 6-2 and 6-0, while the Binghamton Triplets climbed over the Tigers to get out of the cellar. The Triplets won 5-4 and 3-1.

The leading Scranton Miners meanwhile pulled another one-run victory. They took the Hartford Chiefs, 4-3, after a Hartford upsurge that netted two runs in the last half of the ninth.

At Albany, the Senators scored 3-2 and 7-6 over the Wilkes-Barre Barons.

Williams Winner On Split Decision

Los Angeles, May 26 (AP) — The Ike Williams camp was happy and the followers of Enrique Bolanos were unhappy — and irate.

That was the aftermath picture of last night's blistering 15-round lightweight championship fight before a record crowd in which Williams, the champion, retained his title by a split decision over Bolanos, the challenger from Mexico.

Referee Charley Randolph gave his vote to Bolanos, but the two judges, Johnny Indrisano and Frankie Van, voted for the lithe negro lad from Trenton, N. J.

A crowd estimated at 28,000 which paid a gross gate of \$152,000 witnessed the scrap. The gate receipts broke Los Angeles' old outdoor record of \$128,635 set in 1929 by Mickey Walker and Ace Hickins. The fight was action-packed from start to finish.

SPORTS WRITERS PICK LOUIS TO DEFEAT WALCOTT

New York, May 26 (AP) — A nationwide poll of Associated Press sports writers showed today 230 who believe Joe Louis will defeat Jersey Joe Walcott against 52 who favor the challenger.

Although Louis won the first fight by a decision, only two writers believe he will repeat the same way in Yankee Stadium June 23. The other 228 predict a knockout, with the third, fourth, and fifth rounds favored.

Among Walcott's supporters, 32 think he will win by a decision. Those that favor Walcott by a knockout pick late rounds.

The poll showed virtually no change in national expert opinion on the fight since the AP took a survey last December that showed 80 per cent of the editors favoring Louis. The present poll is 81.5 per cent for Louis.

Some Pick Walcott
The two who think the fight will end the same way as the first are Joe Safran of the Oil City, Pa., Blizard, who said "Joe needs the money" and Hugh A. Scott of the Pasco, Wash., Tri-City Herald, who declared "Walcott doesn't have it to win."

Favoring Walcott, Ed Pollock of the Philadelphia Bulletin declared pictures indicated Louis "is so far out of shape physically it appears impossible for him to be anywhere near the Louis of old."

Other selections included: Ed Wallace, Evening Sun, Hanover, Pa. — Louis, 3. W. H. Foltz, Public Opinion, Chambersburg, Pa. — Louis, before 6. William Parry, Daily News-Times, Lebanon, Pa. — Louis, 5. Dave Delong, Evening Chronicle, Allentown, Pa. — Louis, 6. Ed Pollock, Bulletin, Philadelphia — Walcott, decision. Al Abrams, Post Gazette, Pittsburgh — Louis, 3. George Kerchner, New Era, Lancaster, Pa. — Louis, 3. Bill Kehoe, Grit, Williamsport, Pa. — Walcott, 10. W. J. Davis, Record Herald, Waynesboro, Pa. — Louis, 3. Don Bream, Times, Gettysburg, Pa. — Louis, 4. Harry Keck, Sun-Telegraph, Pittsburgh — Louis early.

Foot Infection Benches Walcott

Grenlock, N. J., May 26 (AP) — An infected right foot has sidelined Jersey Joe Walcott for a few days but the challenger for Joe Louis' heavyweight boxing crown isn't worried one bit.

"I needed the letup," said Jersey Joe as he lounged about his well appointed Grenloch Lake training camp. "I weigh 198 pounds and that's only three and one-half more than I met Louis last December."

The fight is scheduled for June 23 at the Yankee stadium.

Neither Walcott or his handlers know how his foot became infected. "Just one of those things, probably a splinter," said Trainer Danny Florio. "We didn't pay any attention to it until a couple of days ago. Then he went to a doctor yesterday and was ordered to keep off it as much as possible."

Interstate League

Wilmington, Sunbury and Trenton strengthened their hold on the top three spots in the Interstate league last night while fourth place Harrisburg could gain no better than a split in a twin bill with Lancaster.

The pace setting Wilmington Blue Rocks edged out the York White Roses, 5-4, with an eighth inning homer by rightfielder Barney Lutz proving the winning punch.

The runnerup Sunbury Reds turned back Allentown, 9-6, combining effective relief hurling by Mike Modak and a four-run seventh inning to come from behind for the win. The game was marked by injuries to Sunbury player-manager Joe Buzas, hit behind the right ear with a thrown ball in the seventh frame, and the Reds' first baseman Czaplewski, who suffered a dislocated thumb from the same ball.

The Trenton Giants, in third place, scored two runs in each of the third fourth and fifth innings to defeat the Hagerstown Owls, 7-2. In a twin bill, Lancaster took the opener, 2-0, and then bowed to Harrisburg in the nightcap, 3-1.

MAROONS DROP FINAL CONTEST TO DELONE 3-0

Gettysburg high school's baseball team brought a successful season to an unsuccessful conclusion here Tuesday afternoon when it bowed to the fast stepping Delone Catholic high nine 3-0.

Charley Kitzmiller permitted the Squires but two singles but was kept in hot water most of the time through the issuing of eight bases on balls.

Delone scored its first run in the fourth inning on a base on balls to B. Smith, an error and a single by Bair.

Two more Delone runs came in the fifth. A single by Leonard, wild pitch, a fielder's choice and a clean steal of home by Prendergast featured the uprising.

Coach Shoemaker's lads had two scoring opportunities but could not capitalize. In the opening inning Bushman doubled with one out but was left stranded. Again in the sixth with two out Eisenhart doubled and Donaldson singled but were left on base.

The defeat gave the Maroons a record of three defeats against six victories for the campaign.

Only one senior, Ken Fair, second baseman, took part in the contest.

Williams Winner On Split Decision

Los Angeles, May 26 (AP) — The Ike Williams camp was happy and the followers of Enrique Bolanos were unhappy — and frate.

That was the aftermath picture of last night's blistering 15-round lightweight championship fight before a record crowd in which Williams, the champion, retained his title by a split decision over Bolanos, the challenger from Mexico.

Referee Charles Randolph gave his vote to Bolanos, but the two judges, Johnny Indrisano and Frankie Van, voted for the lithe negro lad from Trenton, N. J.

A crowd estimated at 28,000 which paid a gross gate of \$152,000 witnessed the scrap. The gate receipts broke Los Angeles' old outdoor record of \$128,635 set in 1929 by Mickey Walker and Ace Hudkins. The fight was action-packed from start to finish.

SPORTS WRITERS PICK LOUIS TO DEFEAT WALCOTT

New York, May 26 (AP) — A nationwide poll of Associated Press sports writers showed today 230 who believe Joe Louis will defeat Jersey Joe Walcott against 52 who favor the challenger.

Although Louis won the first fight by a decision, only two writers believe he will repeat the same way in Yankee Stadium June 23. The other 228 predict a knockout, with the third, fourth, and fifth rounds favored.

Among Walcott's supporters, 32 think he will win by a decision. Those that favor Walcott by a knockout pick late rounds.

The poll showed virtually no change in national expert opinion on the fight since the AP took a survey last December that showed 80 per cent of the editors favoring Louis. The present poll is 81.5 per cent for Louis.

Some Pick Walcott

The two who think the fight will end the same way as the first are Joe Szafran of the Oil City, Pa., Blizard, who said "Joe needs the money" and Hugh A. Scott of the Pasco, Wash., Tri-City Herald, who declared "Walcott doesn't have it to win."

Favoring Walcott, Ed Pollock of the Philadelphia Bulletin declared pictures indicated Louis "is so far out of shape physically it appears impossible for him to be anywhere near the Louis of old."

Other selections included: Ed Wallace, Evening Sun, Hanover, Pa. — Louis, 3; W. H. Foltz, Public Opinion, Chambersburg, Pa. — Louis, better; William Parry, Daily News-Times, Lebanon, Pa. — Louis, 5; Dave Delong, Evening Chronicle, Allentown, Pa. — Louis, 6; Ed Pollock, Bulletin, Philadelphia — Walcott, decision; Al Abrams, Post Gazette, Pittsburgh — Louis, 3; George Kerchner, New Era, Lancaster, Pa. — Louis, 3; Bill Kehoe, Grit, Williamsport, Pa. — Walcott, 10; W. J. Davis, Record Herald, Waynesboro, Pa. — Louis, 3; Don Bream, Times, Gettysburg, Pa. — Louis, 4; Harry Keck, Sun-Telegraph, Pittsburgh — Louis early.

Foot Infection Benches Walcott

Grenlock, N. J., May 26 (AP) — An infected right foot has sidelined Jersey Joe Walcott for a few days but the challenger for Joe Louis' heavyweight boxing crown isn't worried one bit.

"I needed the setup," said Jersey Joe as he lounged about his well appointed Grenloch Lake training camp. "I weigh 198 pounds and that's only three and one-half more than when I met Louis last December."

The fight is scheduled for June 23 at the Yankee stadium.

Neither Walcott or his handlers know how his foot became infected. "Just one of those things, probably a splinter," said Trainer Danny Florio. "We didn't pay any attention to it until a couple of days ago. Then he went to a doctor yesterday and was ordered to keep off it as much as possible."

Interstate League

Wilmington, Sunbury and Trenton strengthened their hold on the top three spots in the Interstate league last night while fourth place Harrisburg could gain no better than a split in a twin bill with Lancaster.

The pace setting Wilmington Blue Rocks edged out the York White Roses, 6-2, with an eighth inning homer by rightfielder Barney Lutz proving the winning punch.

The runnerup Sunbury Reds turned back Allentown, 9-6, combining effective relief hurling by Mike Modak and a four-run seventh inning to come from behind for the win. The game was marked by injuries to Sunbury player-manager Joe Buzas, hit behind the right ear with a thrown ball in the seventh frame, and the Reds' first baseman Czaplewski, who suffered a dislocated thumb from the same ball.

The Trenton Giants, in third place, scored two runs in each of the third fourth and fifth innings to defeat the Hagerstown Owls, 7-2. In a twin bill, Lancaster took the opener, 2-0, and then bowed to Harrisburg in the nightcap, 3-1.

Eastern League

(By The Associated Press)

The Utica Blue Sox crowded the Williamsport Tigers today in the spot reserved for the Eastern league's second-best club.

The Sox beat Elmira twice last night, 6-2 and 6-0, while the Binghamton Triplets climbed over the Tigers to get out of the cellar. The Triplets won 5-4 and 3-1.

The leading Scranton Miners meanwhile pulled another one-run victory. They took the Hartford Chiefs, 4-3, after a Hartford upsurge that netted two runs in the last half of the ninth.

At Albany, the Senators scored 3-2 and 7-6 over the Wilkes-Barre Barons.

MAROONS DROP FINAL CONTEST TO DELONE 3-0

Gettysburg high school's baseball team brought a successful season to an unsuccessful conclusion here Tuesday afternoon when it bowed to the fast stepping Delone Catholic high nine 3-0.

Charley Kitzmiller permitted the Squires but two singles but was kept in hot water most of the time through the issuing of eight bases on balls.

Delone scored its first run in the fourth inning on a base on balls to B. Smith, an error and a single by Bair.

Two more Delone runs came in the fifth. A single by Leonard, wild pitch, a fielder's choice and a clean steal of home by Prendergast featured the uprising.

Coach Shoemaker's lads had two scoring opportunities but could not capitalize. In the opening inning Bushman doubled with one out but was left stranded. Again in the sixth with two out Eisenhart doubled and Donaldson singled but were left on base.

The defeat gave the Maroons a record of three defeats against six victories for the campaign.

Today's Talk

FOUR-SQUARE AND BALANCED

When we speak of a man being four-square, we mean that he is solid and dependable on all sides. Those famous words of Anthony's over the body of Brutus are a perfect description of the four-square man: "His life was gentle, and the elements so mixed in him that Nature world, 'This was a man!'"

There is another phrase that suggests the four-square man and the balanced character. The one spoken of as having "both feet on the ground." Meaning that such a one is not easily disturbed, that he keeps his head, ready for any emergency. He thinks things out carefully and is dependable.

The four-square man isn't a joy-rider nor a complainer. Life is a joyous problem to him. He takes things as they come, face forward, and measures his steps. Blind alleys have no attraction for him. He likes the open spaces, where his eyes can see in all directions, and where he is free to make the wisest decisions as to which direction he should turn.

Never has this world needed so many solid men, men who will hold their ground and stand balanced, fearless of criticism and opposition, men who are willing to bide their time, but who know when to act, who do act. We all look to such men and follow them as leaders gladly. They do not betray their friends nor do they bluff in an emergency.

Whether man or woman, the four-square sort are the ones to tie to as friends. They will not desert you, and they continue to inspire you. They are rare, I know, but you only need one or two of them as an investment in life. They are like a sound bank where you deposit your earnings with confidence.

The four-square man is a lover of Nature, of beauty in all its forms, of people, is well informed, and loves to distribute himself, for he is selfless. He is always ready to lend a hand and to give hope and comfort where it is most needed. He is a believer in God, the Father of us all, and he works under the guidance of an unwavering faith. Can anyone of us aim higher than to be a four-square human being?

Tomorrow Mr. Adams will talk on the subject: "Our Intentions."

"A HOME OF HER OWN"

With the dishes to wash and the beds to be made,
The carpets to sweep and the board to be laid,
And garments to mend when the long day is through,
It is certain a woman has plenty to do.

With the dusting to do and the glassware to shine,
And the washing each week to hang out on the line,
The children to dress and the silver keep bright,
A woman is busy from morning to night.

With a husband to care for and nurse when he's ill,
And a garden, lest weeds overrun it, to till,
With the shopping to do and the meals to prepare,
Little time for herself has a mother to spare.

Yet tasks such as these and a life such as this
Are what every girl dreams of and hopes not to miss.
And there's never a maid, though its burdens are known,
But deep in her heart wants a home of her own.

He frankly admitted that what Russia wants is good American money used by American capitalists to develop and exploit her national resources and railways. TURKS WORRIED ABOUT THREAT OF RED TROOPS

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

The Turks, who are men of action but few words, are doing some quiet worrying for fear the Jewish-Arab conflict may result in Russian troops being sent into the Middle East as part of a United Nations force to reestablish peace.

The advent of Bolshevik fighting men under such circumstances in that strategic area isn't likely, since America, Britain and France would be dead against it. Still, Turkey's anxiety is understandable because, with muscovites on her south and Russian dominated Bulgaria on her northern frontier, she would be in a powerful Red vise. And the Turks regard Russia as unfriendly, which is rather a euphemistic understatement of a harsh truth.

As a Moslem nation Turkey opposed the United Nations plan for a partition of Palestine between the Arabs and the Jews. Since then the Turkish government has sat tight until just now when foreign minister Necmeddin Sadak declared during a speech:

A Burning Issue
"We wish with all our heart that without bloodshed, without setting up in this region a continuous element of disorder and insecurity, a lasting solution could be found leaving the Arabs masters of their rights."

Then Sadak shot an arrow which observers thought was aimed at Moscow: "Our purest objective is that threats of aggression, designs aimed at domination and conquest, be eliminated between peoples, and relations of friendship and mutual cooperation based on the principles of honor and dignity be established, that none should interfere in the internal affairs of another, and that each be left in peace in his territory and sovereign rights."

Russia is bent on establishing herself as a Mediterranean power. In order to achieve this she seeks domination of the Dardanelles Strait, which is controlled by Turkey. The Turks decline to surrender any part of their rights over this strategic waterway between the Black Sea and the Mediterranean, and the issue is a burning one which could easily become acutely dangerous.

TEST MURRAY'S POWERS IN CIO

Harrisburg, May 26 (AP)—A test of Philip Murray's powers as president of the CIO-United Steelworkers confronted the state supreme court today.

Eleven officers of the Union's New Kensington Local 302 appealed from an injunction upholding Murray's right to suspend them for political activity.

The steelworkers chieftain, who is also president of the CIO, removed the officials and ordered them to turn over \$100,000 and other union property to W. D. Gravatt, an administrator appointed by him.

The officers, led by President Frank H. Hill, refused to do so. Murray took the issue to Westmoreland county court which enjoined Hill and the others to comply with Murray's order.

Claiming they were suspended without a hearing before the union's international executive board, the officers said in their appeal: "It has been insinuated that (the suspended officers) are radical malcontents who seek to disrupt the union. X X X if they are disloyal union

Judge Musmanno Home From Europe

Pittsburgh, May 26 (AP)—Judge Michael A. Musmanno was home from the wars today and, he said, "all the more zealous" to administer justice in local courts.

The Pittsburgh jurist, now on terminal leave from the navy, presided over the eight-months war crimes trials at Neurnberg.

In those eight months, he said, he gave more of his mind to the justice at hand than in all his years in robes here, working "harder that I ever thought I had the capacity."

He recalled the words of his judgment to sum up the result: "It has been demonstrated here that the invaluable and fundamental rights of common man need not lack for a court to proclaim them. Humanity can assert itself by law. It has taken on the robe of authority."

SYNOD ORDAINS

delivered the sermon at the ordination. He had as his theme, "Approved of God."

Today the synod was scheduled to conclude its activities with presentation of a number of reports on synodical activities and passage of resolutions and the installation of the new officers.

Other Officers
Named as officers at Tuesday's sessions were, in addition to the president, treasurer and secretary, announced Tuesday, the Rev. Dr. J. Frank Fife, Baltimore, as a director of the Gettysburg Lutheran Theological seminary; George S. Yost, Baltimore, director of the local theological seminary; the Rev. L. H. Rehmyer, Manchester, Md., and F. W. Konemann, Washington, trustees of Tressler Orphans' Home, Loysville; the Rev. P. A. Weidley, Baltimore, and T. P. Hickman, Washington, members of the executive committee; Luther Wentz, Manchester, committee on Christian Education; the Rev. A. Hackman, Baltimore, committee on ministerial students.

The group also voted unanimously to oppose "any bill or part thereof which will promote and legalize any form of gambling in the city of Baltimore and the counties of Maryland, especially as those related to charitable and civic organizations and institutions." Copies of the resolution in the form of telegrams were sent to Maryland Governor Lane, the speaker of the Maryland house of deputies and the president of the Maryland Senate. The vote was taken in an attempt to halt motions before the Maryland legislature at the present time to legalize bingo and other lotteries if carried on by charitable or civic organizations or groups.

The Maryland synod includes 140 congregations having 89,412 members. men, they can be tried and expelled after notice and a fair trial, but certainly not otherwise."

Murray contended the union's constitution permits him to inflict such suspensions.

The Rev. David S. Kammerer, chairman of the Magazine committee was in charge of the program, which also included group singing. The Rev. Nevin Smith, of the Hanover Rotary club, was a guest. The business session was in charge of the president, Edward T. Richardson. The International Service committee will be in charge of the June 1 meeting. The committee includes Paul E. King, chairman, Luther W. Ritter, Roy D. Knouse, Ernest W. Dunbar and Lloyd L. Stately.

Students On Picnic
The annual picnic was enjoyed Tuesday by the students of the Junior-Senior High school. The entire group witnessed a showing of "April Showers," at the Regent theatre in the morning, after which volunteer members of the student body engaged in various games such as baseball throw, races, relays and the like. Lunch was enjoyed on the school grounds, provided from the student activity fund and prepared by the girls of the Home Economics

classes, taught by Mrs. Marvin Breighner. Soft ball contests were enjoyed during the afternoon, concluding the day's activities.

Funeral services for D. S. Lain, 92, who died at his home near Two Taverns, Sunday at 4:10 p. m., after having been ill since last January, were held today, at 2 p. m., meeting at the J. W. Little and son funeral home, Littlestown, and with further service in St. Mark's Reformed church, along the Gettysburg pike of which the deceased was a member for many years. The services were in charge of his pastor, the Rev. Dr. Howard Schley Fox, Gettysburg, with interment in the adjoining St. Mark's burial ground.

The pallbearers were A. K. Stock, POS of A No. 386 of which the deceased was a member.

RUSS VETOES BLOCK UN PLAN

Lake Success, May 26 (AP)—Two more Soviet vetoes have quashed United Nations plans for investigating last February's Communist coup in Czechoslovakia.

The United States followed up Russia's 24th and 25th vetoes by calling on the Security Council to find some new means of telling the world about the Communist grab of power and what part, if any, Russia played in it. Warren R. Austin said the United States was prepared to gather evidence independently and read it into council records. He urged other nations to follow suit.

Many delegates, however, think the case is all washed up. Soviet Deputy Foreign Minister Andrei A. Gromyko exercised his latest vetoes Monday night because, he said, the U.N. was attempting to interfere in the internal affairs of Czechoslovakia.

Gromyko was forced to use a double veto because of a lengthy wrangle over council rules. The U. N. charter says questions of substance are subject to veto and questions of procedure are not. Gromyko maintained the proposal to set up a three-nation investigating group was substantive; all other delegates except the Soviet Ukraine said it was procedural.

UNION DEMANDS US GOVERNMENT BUY RAILROADS

By MAX HALL

(Associated Press Labor Reporter)

Washington, May 26 (AP)—A union demand that the government "begin preparations" to buy the railroads seemed to have little prospect today of being taken seriously in official Washington. A group of 20 railroad unions made the proposal last night.

Their own leaders did not entirely agree on how far they want to go with nationalization of the industry.

There was no immediate comment from the White House or government agencies. But observers noted that Congress would have to approve a step of this size—a big step toward Socialism—and there are no signs that Congress is in any such mood.

Charge "Diversion"

Railroad management officials made light of the proposal.

W. T. Parley, president of the association of American railroads, termed it "an attempt to divert attention" from the fact that three unions—the engineers, firemen, and switchmen—rejected the recommendations of an impartial board in the present rail dispute.

Heads of the 20 unions, banded together in the railway labor executives' association, came to the aid of the engineers, firemen, and switchmen last night. The 20 executives unanimously adopted a bitter resolution.

In it, they condemned the government as a "strike-breaking agency" because it seized legal control of the railroads May 10 and thus blocked a scheduled strike by the three unions.

Then they demanded that the government, having taken legal control, now assume "the full responsibilities of operation," take control of revenue, and bargain directly with the unions on wages and working conditions.

Finally they argued that the private operators more than once have shown their inability to maintain satisfactory labor relations and have failed to provide the public with efficient and prompt service.

Therefore, they said, the government should "begin preparations for the transfer of railroad ownership from private interests to the United States government."

This clearly suggested permanent nationalization. If carried to a conclusion it would mean buying the properties outright.

GM Plan Studied In Chrysler Case

Detroit, May 26 (AP)—Terms of General Motors Corporation's history-making wage agreement with its CIO Auto Workers were studied today by negotiators seeking today to end the 15-day Chrysler strike.

Representatives of Chrysler Corp. and the United Auto Workers return to the bargaining table today (1 p.m. EST) for the first time since 75,000 production workers walked out May 12.

Michigan's Gov. Kim Sigler asked the resumption of wage talks and arranged the session, but he sent no representative.

The UAW's Chrysler negotiating team—officially demanding a 30-cent hourly wage boost—has given no indication whether it would accept an 11-cent increase geared to the cost of living such as the one that ended a strike threat at General Motors.

Sports Roundup

By HUGH FULLERTON, JR.

St. Louis, May 26 (AP)—There's a saying as old as golf that it's "an humblin' game" and the just-completed PGA tournament proves it.

The field included several former PGA champions, American and British open champions, the leading money-winner of the tournament circuit, and holders of assorted lesser titles. They had good reason to be proud of their golf; but at the end all had been humbled except little Ben Hogan, the guy with an aching back who feels he can no longer stand the grind of playing all the way around the circuit.

A notable example, perhaps, was Claude Harmon, who was kidding between halves of his semi-final match with Sammy Snead. "I'll have a big apartment and a car at my disposal for the open champion-

ship at Los Angeles. And for the British open Bob Sweeney says his valet will meet me at the plane and we'll live in the house he has taken for the week. I'm the masters champion now and the masters champion travels in style." Well, Snead carried Harmon to 42 holes that day and Mike Turnesa eliminated him the next afternoon.

SOUND AND FURY

Even Hogan didn't entirely escape the humbling effects of golf. On two occasions his ball rolled under a loud-speaker truck following the final match and once it got there Ben almost pushed a shot out of bounds. When he made that shot, Ben growled: "If it isn't out of bounds, it ought to be." He found his ball deep in the rough and changed his mind two or three times before deciding which club to use.

Then he knocked it over the green and under the truck again. What Ben said then couldn't be heard and probably shouldn't be reported anyway.

MIKE FRIGHT

Mike Turnesa, yesterday's runner-up, tells a story about his match with Sammy Snead at Denver in 1941. They had to play across a creek and as soon as Mike hit his ball, the crowd rushed over the bridge. By the time Turnesa got there, he had to push through the mob and a policeman, checking tickets, wouldn't let him pass. "I told him, 'Listen, I'm playing in this thing,' and the cop says, 'Go on. Don't hand me that stuff. Go side, please,'" Mike explained. And it wasn't until an official came to his rescue that Mike could cross.

Taft-Hartley Act May Be Invoked

Washington, May 26 (AP)—The government may invoke the Taft-Hartley act's national emergency provisions to head off a threatened all-coast maritime strike on June 15. Top officials said today the action is under study because a shipping tieup would block aid shipments to Europe and the far east. One leading administration labor

adviser said the plan being considered is for President Truman to name a seven-man board to make a factual study of all issues involved in disputes raging on the Atlantic, Pacific and Gulf coasts. Six unions, five of them CIO and one independent, have contracts expiring June 15. All want wage boosts, the amounts so far unspecified. FUTURAMIC

OLDSMOBILE

Here's that terrific trio of smart new Oldsmobiles you've heard so much about! The Futuramic Convertible—with its racy, youthful look and all its automatic features. The Futuramic Club Sedan—so low, broad and gracefully tapered in style. And the Futuramic 4-Door Sedan—the car with comfort and visibility beyond anything you've known.

Every one of these new Series "98" Futuramic Oldsmobiles is ahead of the times in performance, too. A new high-compression head adds horsepower to the engine—makes Hydra-Matic Drive* even more notable for its "no-clutch, no-shift" smoothness. And once you step down on the accelerator to WHIRLAWAY... then you'll feel what Futuramic means!

MOTHER JAILED; BEAT TEACHER

Indiana, Pa., May 26 (AP)—Because a judge ruled a teacher has the same rights of discipline as a parent, Mrs. Pearl Fulmer started serving a one-year jail sentence today.

Mrs. Fulmer, mother of four children, testified she didn't like it when daughter Mary, 10, came home from school last March 22 and reported her teacher had slapped her.

Mrs. Fulmer said she went to the school the next day and slapped the teacher, Mrs. Claire McGara, in retaliation.

Mrs. McGara, said Mrs. Fulmer not only slapped her, but pummeled her against the blackboard and pulled her hair.

Furthermore, the teacher contended, she didn't slap Mary. She merely turned her around in her chair.

Judge E. E. Creps ruled the Pennsylvania school code gives teacher the same rights of discipline as a parent and found Mrs. Fulmer guilty of assault.

joint district opened with a professional march "Hosts of Freedom," by King, played by the Big-ville high school band. The Rev. Dr. O. D. Coble, Bendersville, pronounced the invocation. Myrna Wingert, of the graduating class, then spoke on "Our International Attitude." A boys' quartet comprising Donald LeRoy Trimmer, George Daniel Peters, Marvin Grant Kline and James Frederick Pitzer, sang "Stout Hearted Men" by Romberg and Ida Margaret Barbour, another senior, spoke on "Our Domestic Attitude."

Marvin Kline sang "Flight of Ages" by Frederick Bevan and Helen Taylor spoke on "Instruments of Future Peace."

Hear Mayor Hock

A song "One World" was sung by

the senior chorus prior to presentation of the principal address of the evening, made by Donald V. Hock, mayor of Allentown. Hock had as his topic "Let's Do the Right Thing." Pointing out that "all of us know the right thing to do and the right time to do it, yet we usually do exactly the opposite." Mayor Hock urged the group "to do just a little better in doing the right thing. If more and more persons work toward peace soon such tremendous power will be exerted we can secure peace."

Charles L. Yost, principal of the high school, presented the graduating class to Dr. J. L. Boyer, Arendtsville, president of the joint board, who made the presentation of diplomas. C. P. Keefe, administrative assistant in the senior high school announced the winners of awards.

Singing of "Alma Mater" and benediction by the Rev. Nevin Frantz, Arendtsville, concluded the service.

Three Are Injured In Gas Explosion

Slight improvement was noted today in the condition of Carl W. Ford, 54, of Greencastle, R.2, who was gravely injured late Monday morning in an explosion of natural gas near Welsh Run, Franklin county. He is in the Waynesboro hospital.

Ford was one of three employees of the Manufacturers Light and Heat Co., parent company of the local gas company, who were at work on the high-pressure natural gas line at the time the explosion occurred. Hospital attaches said he suffered a spinal injury which paralyzed his body from the waist down; a compound fracture of the right leg, and fractures of ribs on his right side.

Others injured were:

Thomas Weicht, 19, of near Cumberland, Md. Waynesboro hospital attaches said Weicht suffered a serious injury of his right eye but that his general condition is "good." An eye specialist is to make an examination to determine if the sight is affected.

Louis F. Murray, 42, of Waynesboro, who suffered slight injuries and shock.

The three men were at work repairing a leak on a natural gas line near the Dunkard Church on the Welsh Run-Claylick road when the explosion occurred, tearing a huge crater in the meadow.

Spokesmen for the company said the cause of the explosion has not been determined but that an investigation is underway.

David E. Irvin

(Continued from Page 1)

called the Warner hospital.

John Fox, East Lincoln avenue, and George E. Burnger, East Stevens street, who were driving a fire engine to collect prizes for the local firemen's bazaar, arrived soon after the accident occurred and after waiting for the ambulance, driving it themselves to the scene.

Mr. Irvin, a carpenter here for 50 years, died at 4:35 o'clock at the hospital from a depressed fracture of the skull, Coroner C. G. Crist said. He also suffered a fracture of the left arm. He was not conscious after the fall.

Police Investigate

Borough police today are conducting an investigation of the tragedy at the request of the coroner, Dr. C. G. Crist.

For about 45 years Mr. Irvin had been associated in the contracting business here with his brother, the late John Irvin.

Mr. Irvin was a native of Mummasburg and a son of the late William J. and Mary Jane (Brinkerhoff) Irvin. He was a member of St. Francis Xavier Catholic church, the Gettysburg unit of the Knights of Columbus and of the Father Corby council of the Pennsylvania Catholic Beneficial League.

Services Saturday

Surviving are his widow, the former Elsie Wentz, to whom Mr. Irvin had been married 43 years; three children, Miss Allene and Miss Elizabeth Irvin, at home, and Carroll Irvin, of Laredo, Texas.

Funeral services Saturday morning meeting at the Bender funeral home at 8:30 o'clock with a requiem mass at 9 o'clock at St. Francis Xavier Catholic church with the rector, the Rev. Fr. Mark E. Stock, officiating. Interment in the Catholic cemetery. Friends may call at the funeral home Friday evening.

10 Congressmen To Oppose Draft

Washington, May 26 (AP)—Some 60 House members want to speak out against a peacetime draft even before the bill is cleared for House debate.

But rules committee chairman Leo E. Allen (R-Ill.), who reported this today, said his group will call only about 10 to testify against the measure sponsored by Rep. Andrews (R-N.Y.). He said hearings probably will continue through this week.

The rules committee determines whether any legislation is cleared for action by the House. Allen has said the draft measure will not reach the floor before June 1.

Draft opponents opened their arguments before the committee yesterday. The first two were Reps. Folger (D-N.C.) and Barden (D-N.C.).

Pfc. R.C. Musselman Promoted to Corporal

Pfc. Ray C. Musselman, son of Mr. and Mrs. Samuel Musselman, Fairfield, has been promoted to the grade of corporal. He is assigned to the Base Weather Station at Maxwell Air Force Base, Montgomery, Ala., as a weather observer and radar technician.

Musselman went to Maxwell in December, 1947, after completing a ten weeks course in weather observing at Chanute Field, Ill. He enlisted in the Air Force in September, 1946. After receiving his basic training at San Antonio, Texas, he took a 25 weeks course for radar technicians at Boca Raton, Fla.

of St. Joseph's, Bonneauville; the Rev. Father Weaver, pastor of St. Joseph's, Dallastown, and the Rev. Father Keller, pastor of Little Flower church, New Cumberland. The Rev. Father Keller, a member of the class, is pastor of Coneago Chapel, and the Very Rev. Father Burke was formerly superintendent of the Paradise Rectory, near Abbotstown.

The three McSherrytown priests, the Rev. Fathers Krichen, Weaver and Keller, will celebrate mass at the three altars in the Church of the Annunciation of the Blessed Virgin Mary, McSherrytown, on Thursday morning at 8 o'clock.

NOTICE

TO SAMUEL G. SMITH, JAMES A. SMITH, MARGARET B. HORNER, J. CARNA SMITH, CLARENCE C. SMITH, JOHN W. A. KEEFAUVER, ALSO KNOWN AS J. WILLIAM KEEFAUVER, KEEFAUVER ALSO KNOWN AS AS LLOYD C. KEEFAUVER, GERTRUDE B. SCHWARTZ, AND HOWARD B. SCHWARTZ, MILWAUKEE, WISCONSIN, AND THEIR HEIRS, DEVISEES, ASSIGNS, EXECUTORS AND ADMINISTRATORS AND ALL OTHER PERSONS WHO MAY HAVE OR CLAIM AN INTEREST IN OR BE INTERESTED IN THE LOT OF GROUND KNOWN AS "HORNER'S SCHOOL" IN MOUNT JOY TOWNSHIP, ADAMS COUNTY, PENNSYLVANIA.

Take notice that on May 13, 1948, at a special meeting, at which a quorum was present, of the Board of School Directors of the School District of Mount Joy Township, Adams County, Pennsylvania, the following resolution was adopted:

BE IT RESOLVED that the Board of School Directors of the School District of Mount Joy Township, Adams County, Pennsylvania, in special session on the 13th day of May, 1948, at which a quorum was present hereby declares its intention to acquire title in fee simple under the provisions of the Act of Assembly heretofore mentioned to A. L. that lot of ground situated in Mount Joy Township, Adams County, Pennsylvania, which is along the State Highway Route 2121 running from the Taneytown Road to the Hoffman Orphanage, also known as the Harlow-Town Tavern State Highway, which lot of ground for years past has been known as Horner's School, said lot is bounded and described as follows:

BEGINNING at a point in the State Highway aforesaid at lands now or formerly of the late Mrs. J. CARNA SMITH, thence by said lands South 33 degrees West 61 feet to a post; thence by the same South 22 degrees East 100.3 feet to a stake at lands now or formerly of Howard S. Schwartz; thence by said lands South 22 degrees West 143.2 feet to a post; thence by the same North 65 degrees West 123.3 feet to a post at lands now or formerly of Walter M. Schwartz; thence by said lands North 20 degrees East 148.4 feet to a stake; thence by the same and the State Highway aforesaid North 49 degrees East 109 feet to a point, the place of BEGINNING. CONTAINING 92 perches more or less.

Said tract of land is said to be part of two smaller contiguous lots of ground (a) the smaller of which is said to be a part of a larger tract, the remainder of which by divers conveyances became vested in John W. A. Keefauver, who being so thereof seized died December 28, 1941, intestate, leaving to survive him as his sole heirs-at-law L. C. Keefauver and Gertrude B. Schwartz; and being the same which Lloyd C. Keefauver and Miriam B. Keefauver, his wife, by deed dated April 17, 1946, recorded in Deed Book 173 at page 69, did sell and convey their undivided interest therein unto Howard S. Schwartz and Gertrude B. Schwartz, husband and wife.

The Board of School Directors has been reliably informed, believes and therefore avers that heretofore the said School District had acquired a lesser estate in said lot of ground than title in fee simple, all of which facts the said School District will demand proof of upon hearing held, if any, under the Act of Assembly heretofore mentioned; further that said School District has held said lot of ground for a public purpose and same has been used for public school purposes for 40 years or more prior hereto; that the School District has made a diligent search and has been unable to determine accurately the manner and date of acquisition of the original acquisition of the said lot of ground; and that a certified copy of this resolution together with the proof of publication be entered of record in the Office of the Register of Deeds of Adams County, Pennsylvania, whereupon title of the School District aforesaid in and to such real estate shall become absolute title in fee simple.

Further, that this resolution be advertised once in two newspapers of general circulation throughout the county of Adams and that a certified copy of this resolution together with the proof of publication be entered of record in the Office of the Register of Deeds of Adams County, Pennsylvania, whereupon title of the School District aforesaid in and to such real estate shall become absolute title in fee simple.

Any person claiming a reversionary or other interest in and to said real estate or any part thereof within the period prescribed by law after the recording of the certified copy and proof of publication heretofore mentioned, petition the Court of Common Pleas of Adams County, in accordance with the Act of July 2, 1937, P. L. 2783, Section 1 and the amendments and supplements thereto, 53 P. S. 1331.
